About Us

Focused on quality: Proactively following the technological developments, targeting to achieve the top quality at best conditions.

Entrepreneurship and Innovation: We listen and understand our customers, suppliers and co-working companies. We do necessary work and investment to renovate & to innovate the products to meet end users requirements on a continuous base.

Commitment to Sustainability: Additionally, we care deeply about sustainability and are committed to implementing environmentally friendly practices throughout our production processes, ensuring a healthier planet for future generations.

Win-Win Principle: We know the real achievement, profit and success is the ones made together with all partners. That's why we have a clear company standpoint of being fair and respectful to all our suppliers, customers and the end users.

Respect for Human: We work hard to make sure mothers feel confident that our product makes their babies happier and consider these efforts as an ethical value of our Company.

eco pure

WE ARE TOGETHER

FOR A SUSTAINABLE WORLD

*Paddlers Eco-Pure is made from plant-based materials that gives a silky touch on sensitive baby skin, providing a highly absorbent diaper. We use **Totally Chlorine Free (TCF)** wood pulp responsibly sourced and certified by the **Forest Stewardship Council (FSC®)**.

Our commitment goes beyond your baby's comfort. With our renewable energy solutions, we reduce our Carbon Foot Print and protect the planet. We prioritize well-being of your precious little one and earth. Join us in creating a sustainable world.
